Board Meeting at 6:00 pm and Club Meeting at 7:00pm

## May 12

Board Meeting at 6:00 pm and Club Meeting at 7:00pm

## June 9

Board Meeting at 6:00 pm and Club Meeting at 7:00pm

**Happy Holidays**

**Happy New Year**

**Ride SAFE,**

**Ride OFTEN!**

**This** past year has been a good one, we had three very successful rides, our portion of the Power Line Trail grew with the completion of five more miles, we continue to upgrade and improve our trails at Hatfield Pond and our landowner relations continue to get strong. But we must always remember to respect the rights of the landowners. We are riding on their land, with their permission and it only takes something stupid to lose that privilege. Let's police ourselves and the other riders. Let's keep our privilege to ride.

Our relations with the Berwick police remains strong and as the club gets ready to offer ATV Safety Classes on a regular basis we should grow as a club by welcoming new riders to the sport.

Remember our membership year starts in January and ends in December, so its time to renew your membership. Our club finished the year with almost 100 memberships with about 200 members.

**From The Trail Master:** The work on the power line trail has again been very successful. Starting at the Alfred town line we now have about six to seven miles of excellent trails. As we continue to work these trails we are growing a great trail system in the southern part of the state, which will make for some great riding. Please remember that CMP has not approved the trail and will not do so until the entire system is done. The Hollis Club is continuing their work on the northern end and will be connecting with our trail.

We also want to thank all those who worked on our trails on the Power Line and at Hatfield Pond, these dedicated people put in a lot of work getting our trails ready and improving them.

Weekend trail work has proved to be productive and fun in the past and we're looking for members to continue with help in 2010.

Happy Holidays and have a safe and Happy New Year
